

The World's Most Beautiful Ribbons™

How to Make a Ribbon Pinecone

Make this pretty ribbon pinecone ornament to hang on your Christmas tree! Create a basketful to give as gifts or use them to decorate your holiday table.

Step-by-Step Instructions

- STEP 1** Cut the ribbon into 2 inch pieces. Cut two 1 inch pieces of the Brown ribbon. Pin a 1 inch piece to cover the pointy end (bottom) of the egg.
- STEP 2** Take one 2 inch piece of ribbon and fold down each side to create a triangle. Using 2 pins, one for each end of the triangle, pin the triangle onto the egg.
- STEP 3** Continue to pin triangles around the egg, alternating colors of ribbon. For the last row, you will need to fold over each side of the triangle to make them smaller so they fit on the egg.
- STEP 4** Finish by pinning a 1 inch piece of the Brown ribbon to cover all the seams at the top.
- STEP 5** With 18 inches of twine, make a 6 inch loop in the center and then tie a bow. Trim bow ends and pin securely to the top of the pinecone.
